

ANZACPE Standards Terminology

In order that the seven Member Associations of ANZACPE might use a common professional language in its Standards the following terminology was agreed upon at the **2017 ANZACPE Annual General Meeting** and modified at the **2018 AGM**:

Terms:

- 1) **'Theology/Spirituality'** and **'Theological/Spiritual'** and **'Pastoral/Spiritual'** (being mindful that the terms 'theology' and 'pastoral' are not used in in some faith traditions)
- 2) **'Foundational CPE'** replaces the term 'Basic CPE' or 'Level One CPE' (being mindful of the need to create a clearer distinction between CPE itself and CPE Supervisor/Educator training; and to emphasise the need to build firm foundations before embarking on 'Advanced CPE')
- 3) **'Advanced CPE'** replaces the term 'Level Two CPE' (being mindful of the need to create a clearer distinction between CPE itself and CPE Supervisor/Educator training; and to emphasise that usually a CPE student/participant needs to complete several Foundational CPEs before being ready for Advanced CPE)
- 4) **'Student/Participant'** (being mindful that many educationalists prefer the term 'participant' to that of 'student', in that 'participant' more effectively conveys the intention of participatory and collaborative learning)
- 5) **'Pastoral Encounter Review' (PER)** replaces the term 'Verbatim': (being mindful that 'Pastoral Encounter Review' more fully describes the actual conversation, the reflective analysis and the learning gained from a pastoral/spiritual encounter, whereas 'Verbatim' more accurately describes only the 'word-for-word-conversation exchange')

plus the following terms describe
the three Levels of CPE Supervisor/Educator Formation and Accreditation

- 6) **'Accreditation'** at the various Levels
- 7) **'Review of Accreditation'** and **'Affirmation of Accreditation'** replaces 'Reaccreditation'
- 8) Level 1: **'Provisional Clinical Pastoral Supervisor'** and **'Clinical Pastoral Supervisor'**
- 9) Level 2: **'Provisional Clinical Pastoral Educator'** and **'Clinical Pastoral Educator'**
- 10) Level 3: yet to be confirmed
